RE: Annual Operations and
Progress Report
Mi Vida Mine
ACT/037/028
San Juan County, Utah

Dear Mr. Smith:

We have received your letter of February 15, 1984 with the attached Operations and Progress Report forms.

Because we suspended mining operations in June of 1982 we have not had any operations. In the meantime, we have subleased the MiVida to Rio Algom Corporation which is actively conducting mining operations at this time. Because they are operating independently under terms of the sub-lease we do not have the information that would be necessary to complete the form. Would you please contact them in regards to furnishing the required information.

Very truly yours,

MINERALS WEST, INC.
